

Truth in Taxation Notice & Hearing

In compliance with section 48-254, Arizona Revised Statutes, the Stringfield Ranch Domestic Water Improvement District is notifying its property taxpayers of the Stringfield Ranch Domestic Water Improvement District's intention to charge its annual secondary property tax. The Stringfield Ranch Domestic Water Improvement District is proposing an annual secondary property tax of \$283,041.85, based on per acre.

For example, the proposed tax will cause the Stringfield Ranch Domestic Water Improvement District's secondary property taxes on one acre to be \$408.43. The total annual amount to be collected District wide is \$283,041. Without the proposed tax, the total taxes that would be owed is zero for this secondary property tax.

The increase is exclusive of any changes that may occur from property tax levies for voter-approved bonded indebtedness.

All interested citizens are invited to attend the public hearing on the tax increase that is scheduled to be held June 24, 2026, at 10:00 a.m. at Improvement District Services, Inc., 3603 Crossings Drive, Prescott, AZ 86305.

This amount is included in the proposed budget and in the budget finally adopted pursuant to section 48-252. The budget is posted on the website at improvementdistrictservices.com/Stringfield.
